

Property Management

As a full-service real estate firm, Century Properties offers after-sales services under its property management arm, Century Properties Management Inc. We bring 20 years of expertise and experience in caring for various spaces – from residential units to skyscrapers to leisure facilities.

For residential properties, CPMI offers the following services:

Property Management Operations Services

This includes general administration, financial management, engineering and facility operations and maintenance, security and safety management services, facility housekeeping, sanitation and janitorial; facility upgrade and improvements, centralized service desk and takeover services.

In-Room Maintenance Management Services

Services covered are air conditioning maintenance, on-call services for electrical, mechanical, plumbing, carpentry and telecommunications; and fit-out/ renovation supervision.

Lease and Sales Management

By dealing with one professional company, you can get the best price for your property on a lease or sales arrangement. Our services range from tenant or buyer sourcing, pre-qualification, unit viewing assistance, contract assistance in behalf of owner, collection and remittance of payments, documents processing, assistance in payment of realty taxes and other fees, the undertaking of title transfer, unit inspections and so on.
