Century City Mall in Kalayaan Avenue, Makati is set for its soft opening today

[February 17, 2014, Makati City] Century City Mall, the newest retail development in Makati in close to a decade, opens its doors today to the public.

The said mall is the first retail development of listed real estate company Century Properties Group (CPG:PM), and is located in Kalayaan Avenue, within the eight-building master-planned development called Century City, Makati.

The over P1-billion development expands the Company's portfolio to recurring income sources, with 17,000 square meters of the retail center's net leasable space leased out to more than 100 tenants, including Rustan's supermarket.

Known in the property industry for its portfolio of premium residences and partnerships with international brands, Century Properties said it aims to pass on its 28-year tradition of building life-enhancing projects to its retail developments.

"We are bringing our experience and expertise in property development into this exciting new venture," Century Properties President and CEO Marco R. Antonio said. "With its exciting mix of tenants,

There are two entrances to the mall: One on Kalayaan Avenue near the corner of Salamanca Street, and another on General Luna Street coming from Makati Avenue. Valet services are available and three basement floors are open for visitors’ parking.

Century City Mall has a total of 4 100% digital projection cinemas. Three high end cinemas are equipped with 5.1 Dolby Surround Sound Systems, while one is a premiere cinema with 60 fully-automated leather seats and a 7.1 Dolby Atmos Surround Sound system.

The Company said that the mall will directly serve two of Century Properties’ completed Century City towers—the Gramercy Residences and the Knightsbridge Residences. It will also serve residents of the villages of San Miguel, Bel-Air 1 and 2, Urdaneta, Legaspi and Salcedo, visitors from Makati corporate offices, and even nearby office and residential centers.

Century City Mall carries a wide retail and dining mix of local and international shops, concept stores, and restaurants.

Rustan’s Supermarket has located in the mall’s basement level.

Also open are fashion and beauty stores Desigual, Fresh/H2O, Beauty Bar, Crabtree & Evelyn, Hush Puppies, Izod, Marc Coblen, Marilou Jewelry, Philip Stein, Swarovski, TW Steel, and Victorinox.
