### Century Properties Group Profit Jumps 14% in 2025

*EBITDA surges 21% on higher margins*

15 April 2026 - Century Properties Group Inc. (CPG) reported a 14% increase in net income after tax (NIAT) in 2025, reaching P2.77 billion from P2.44 billion the previous year, driven by steady demand across its residential developments.

Consolidated revenues grew 12% to P16.40 billion from P14.64 billion in 2024 driven by consistent construction progress, stable buyer demand and the expansion of its project portfolio. The First-Home Residential Developments (PHirst) segment continues to be CPG's major revenue driver, generating P12.3 billion or 75% of total revenues. Premium Residential Developments accounted for P2.6 billion (16%), while Commercial Leasing and Property Management contributed P0.9 billion (6%) and P0.5 billion (3%), respectively.

"We are pleased to deliver another year of strong financial performance. Our results reflect the strength of our diversified portfolio, the buoyancy of the Philippine housing market, and our focus on operational excellence," said Jose Marco R. Antonio, President and CEO of CPG.

Earnings before interest, taxes, depreciation, and amortization (EBITDA) rose 21% to P5.28 billion, supported by 48% gross profit margin and sustained contributions from both the PHirst and Premium segments.

As of end-December 2025, total assets stood at P60.94 billion, while total liabilities reached P36.74 billion, bringing stockholders' equity of P24.20 billion.

The Company also reported improved leverage ratios, with debt-to-EBITDA ratio at 3.4x in 2025 from 3.9x in 2024 and debt-to-equity ratio at 0.7x in 2025 from 0.8x in 2024.

CPG remains committed to accelerating its growth through a dual-brand strategy across key provincial corridors.

"We continue to ensure that capital is deployed selectively through phased developments, guided by clear return thresholds across both affordable and premium housing segments," said Rodel V. Marqueses, CPG's Chief Financial Officer and Head of Investors Relations.

Under its premium segment, the company launched Cerulean Residences, a 25-hectare master-planned development in General Trias, Cavite. The project marks a strategic expansion into high-growth suburban markets.

Complementing this, PHirst unveiled PHirst Impressions Gen Tri, a 23.8-hectare development featuring over 1,500 homes with upgraded designs, larger lot cuts, and expanded community amenities. The project builds on the strong take-up of PHirst Park Homes Gen Tri, reinforcing demand in the area.

PHirst also recently entered Mindanao with the launch of PHirst Park Homes Gen San, signaling its sustained geographic expansion.

“In an increasingly dynamic environment, we are taking a measured and deliberate approach to long-term progress. With a clear strategy and prudent risk management, we are well-positioned to pursue sustainable growth and create long-term value for our shareholders,” added Mr. Antonio.
